

VIRGINIA BEACH CITY PUBLIC SCHOOLS

ParentVUE Activation Key

(parent name)
(Parent address)

Dear **(parent name)**,

ParentVUE is intended to provide parents and guardians access to information related to students for whom they are the legal guardian(s) or have rights to educational records. This information includes access to classroom assignments, grades, attendance information, and student course history information. The username and password used to access this information should not be shared with unauthorized individuals. Access to student records is limited under the Federal Education Right to Privacy Act (FERPA).

Click on the web address below to go to the ParentVUE login page. Select ,

then select the  option. Your activation key is provided below. You must enter the information exactly as presented on this letter; if changes to your name are needed, please contact the school. If you receive more than one activation key, please contact one of the schools your children attend to report this issue. Please only use one activation key when creating your account, and the Division will inactivate the other account.

Activation First Name: **(parent first name)**
Activation Last Name: **(parent last name)**
Activation Key: **(activation key)**
Web Address: https://parentvue.vbcps.com/PXP2_Login_Parent.aspx

Your activation key has no expiration date.

For Office Use Only:
